

Annual Review 2018

# *An exciting year of new business, new tournaments, enhancing old relationships and some extensive travel!*

**New Relations** - 2018 broke new and exciting ground in so many ways; OSS entered into long term agreements with England Rugby Union providing support for the team during events and training camps, while also securing an agreement to work directly with Porsche GB providing track side support for the Porsche Carrera Cup GB team.

**Old Friends** - We continued our relationships with Rugby Union teams; the All Blacks, South Africa, Australia, Argentina, Italy and Georgia. We also entered into our eleventh consecutive season with the Rugby Football League Match Officials Department, as well as continuing our work with both England RL and New Zealand RL teams during their International Series in October.

**Air Miles and Road Trips!** 2018 was definitely our busiest ever year of travel outside of the UK. Our support services took us to far-away places providing back up for a diverse range of sports. We visited China (Shanghai), Japan (Tokyo and Fuji) for the Asian Le Mans Series and the USA (Daytona, New York, Sebring) in the IMSA Sportscar Series all working alongside Motorsport teams. Somewhat closer to home, our European travel saw us working in France (Paris) at the Rugby 7's, at the Rugby Union Autumn Internationals in Italy (Rome), France (Paris) and Ireland (Dublin), back to the South of France (Perpignan and Beziers) for the Rugby Union U20's World Cup and Italy (Monza), Portugal (Portimao), Austria (Red Bull Ring), France (Paul Ricard) and Belgium (Spa-Francorchamps) with United Autosports in the European Le Mans Series and finally...The famous Le Mans 24 Hours, our 9th successive year at the World's toughest endurance race.
